Dear Miss Parlow,

On behalf of the Music Committee and myself personally, may I express our sincere appreciation and thanks for the wonderful recital you gave us in the Great Hall.

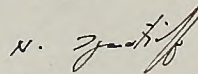

It was most kind of you to go to all the trouble with this recital and I think you could tell how much it was enjoyed by everyone.

I am ashamed to enclose the cheque which you will find attached. In time I hope to change our attitude toward art and artists.

I hope to save you some trouble by sending the other cheques directly to the artists concerned.

With kind regards,

Yours sincerely,

N. Ignatieff,
Warden.
